

Clear Plastic Mounting Clip, 2 Inch Length, 1 - Year Warranty

- Clear plastic construction for visual identification of contents
- 2 inch (5 cm) overall length
- Rigid, high-quality plastic material for durability
- 1-year manufacturer warranty
- Rated for 50,000 hour service life

OVERVIEW

The M-N6-Clip-P is a clear plastic clip measuring 2 inches in length, designed for securing and organizing materials across a range of applications. Its transparent construction allows for quick visual identification of contents without removing or repositioning the clip.

The clip is manufactured from a rigid, high-quality plastic material intended for durable, long-term use in office, classroom, or facility environments. It carries a 1-year warranty for buyer assurance.
