

Screws and Clips for M-N 8mm Neon Flex Mounting Clips

- Includes screws and clips for M-N 8mm mounting clips
- Compatible with M-N 8mm neon flex mounting systems
- Supports secure fastening for commercial and industrial installs

OVERVIEW

The M-N8-Clip-Screws kit is a hardware accessory set consisting of screws and clips designed for use with M-N 8mm mounting clip applications. It supports secure installation of compatible 8cm neon flex mounting systems in commercial and industrial settings.

This kit is intended to complement M-N 8mm clip-based mounting hardware, providing the fastening components needed for a complete installation.

APPLICATIONS

- Retail signage mounting
- Architectural accent lighting installs
- Commercial ceiling and wall channel mounting
- Industrial linear lighting fastening
