

Straight Mounting Clip for 8mm Neon Rope Light, Indoor/Outdoor Use

- Designed specifically for 8mm neon rope light installations
- Holds rope light in a straight, linear alignment
- Constructed from durable materials for long-lasting use
- Suitable for both indoor and outdoor applications
- Backed by a 1 year warranty

OVERVIEW

The M-N8-Clip is a straight mounting clip designed to secure and position 8mm neon rope light during installation. It is intended for applications where a clean, linear run of neon rope light is required, and is suitable for both indoor and outdoor use.

The clip is constructed from durable materials selected for resistance to wear and provides a secure hold that keeps rope light aligned without shifting. Installation is straightforward, allowing for efficient deployment in commercial or residential lighting projects.
