

L - Shape Connector for M - N8mm Neon Rope Light, Snap - On, 1 - Year Warranty

- Compatible with M - N8mm Neon Rope Light for L - shaped configurations
- Snap - on attachment requires no tools or additional wiring
- Constructed from UV - resistant, weather - resistant materials
- Backed by a 1 - year manufacturer warranty
- Supports connected rope light rated for 50,000 hour LED lifetime

OVERVIEW

The M-N8-Cnt-L is an L-shape connector designed for use with M-N8mm Neon Rope Light, enabling clean directional transitions in L-shaped lighting layouts. Typical applications include architectural lighting, signage, and event installations where precise routing of neon rope light is required.

The connector is constructed from materials rated for UV resistance and exposure to weather conditions, supporting long-term outdoor and indoor use. It installs without additional tools or complex wiring, using a snap-on attachment method compatible with M-N8mm Neon Rope Light.

Backed by a 1-year warranty for added assurance.
