

LED Neon Rope Light 10-Meter Kit

- Supplied as a complete 10-meter kit for continuous-run installations
- Flexible neon-style profile for smooth, uniform light output
- Suited for both indoor and outdoor mounting locations
- Designed for signage and architectural outline applications

OVERVIEW

The M-NR6-B-KIT-10M is a 10-meter LED neon rope light kit designed for commercial signage, architectural accent lighting, and decorative outline applications. The flexible neon-style profile provides a continuous, uniform glow suited for both indoor and outdoor installations where a clean, tube-lit aesthetic is required.
