

RGB 4-Pin Connector Clip Cable, 10 In.  
— 5-Pack

- 10-inch length for flexible RGB device placement
- 4-pin clip-style connector for secure attachment
- Durable cable construction for consistent RGB signal transfer
- Sold in a 5-pack for multi-point RGB installations
- 1-year warranty coverage
- Supports LED components rated for 50,000-hour lifetime

OVERVIEW

The M-Z-CA-RGB-M-Clip is a 10-inch, 4-pin connector clip cable designed for use with RGB lighting systems. It provides a secure, reliable connection between RGB devices and is suited for installations where precise, stable connectivity is required.

The cable features a 4-pin clip-style connector and a 10-inch length, offering flexibility in component placement during installation. Construction is described as durable, supporting consistent performance in RGB applications.

Backed by a 1-year warranty, with connected LED components rated for a 50,000-hour lifetime.
