

Strip to Cable Transparent Connector, 2-Pin
5mm COB IP20 Strip Light (5-Pack)

- Solderless 2-pin connector for 5mm COB LED strips
- Transparent finish for discreet in-line connections
- IP20 rated for indoor, non-waterproof applications
- Sold in 5-piece bags for job-site convenience
- Backed by a 1-year warranty

OVERVIEW

The M-Z-CON2-5-C-SC is a strip-to-cable transparent connector for 2-pin, 5mm COB LED strip light installations. It provides a solderless termination point where a bare cable joins one end of a COB strip, simplifying field wiring and reducing installation time.

The connector features a transparent finish and is rated IP20 for indoor, non-waterproof use, matching the LED lifetime rating of 50,000 hours for the strip system it serves. Sold in bags of five for convenient job-lot replacement or new installation runs.

Backed by a 1-year warranty.
