

2-Pin 5mm PCB Strip-to-Strip Connector for COB IP20 LED Strip, No Wire

- 2-pin PCB-to-PCB connection with no wire leads required
- Sized for 5mm PCB COB LED strip lights
- IP20 rated for dry, non-waterproof indoor use
- Transparent finish for low-visibility installation
- Packaged 5 pieces per bag
- Backed by a 1-year warranty

OVERVIEW

The M-Z-CON2-5-C is a no-wire, 2-pin strip-to-strip connector designed for 5mm PCB COB LED strip lights rated IP20. It provides a solderless, direct board-to-board connection, making it suitable for clean, low-profile installations where wire leads are not practical.

The connector features a transparent finish and a 5mm PCB profile matched to COB strip dimensions. It carries a Non-Waterproof environmental rating consistent with its IP20 classification, and is intended for dry indoor environments only.

Each unit is backed by a 1-year warranty and sold in bags of 5 pieces.

SPECIFICATIONS

OPTICAL

LED Chip Type	COB
LED Lifetime	50,000 h

MECHANICAL
