

IP67 Waterproof 10mm Bicolor COB Strip to Cable Connector, Transparent, 15cm Lead (5-Pack)

- Rated IP67 for waterproof strip-to-cable connections
- Sized for 10mm PCB bicolor COB LED strip
- 15cm cable lead length positioned at the connector's middle
- Transparent housing for discreet installation
- Sold in a 5-piece pack
- Backed by a 1-year warranty

OVERVIEW

The M-Z-CON2-CA-C-IP67 is a cable connector designed for use with IP67-rated waterproof 10mm PCB bicolor COB LED strip. It provides a reliable termination point for joining strip sections to a cable run, suited for installations where moisture resistance and connection integrity are required.

The connector features a 15cm cable lead in the middle, offering positioning flexibility during installation, and is constructed to maintain a secure connection while minimizing power loss across the joint. It is supplied as a transparent connector rated for a 1-year warranty and compatible with LED strip rated for 50000 hours of operating life.
