

2-Wire 8 in. Strip Connector, 10mm PC Board, 1-Year Warranty, 5-Pack

- 2-wire configuration with 8-inch cable leads
- Single 10mm PC board connector for strip termination
- Sold in a 5-pack for multiple connection points
- Rated for 50,000-hour LED lifetime
- Backed by a 1-year warranty

OVERVIEW

The M-Z-CON2-CA is a 2-wire jumper connector for 10mm PC board LED strip lighting systems. Each unit includes two 8-inch wire leads terminating in a single 10mm PC board connector, providing a wiring solution for joining LED strip runs to drivers, controllers, or adjacent strip segments.

The connector is rated for an LED lifetime of 50,000 hours and is backed by a 1-year warranty, supporting long-term use in commercial and industrial strip lighting installations.
