

Wire-to-Wire 2-Pin 8mm Connector,
IP20, 20AWG Compatible (5-Pack)

- 2-pin wire-to-wire connector for 8mm LED strip runs
- IP20 rated for dry indoor use
- Sized for 20AWG wire gauge
- Transparent finish for wire seating visibility
- Sold in 5-piece bags for jobsite convenience
- 1-year warranty

OVERVIEW

The M-Z-CON2-W2W is a wire-to-wire 2-pin connector designed for splicing and extending LED strip light runs or other low-voltage wiring applications. The 8mm form factor is suited for standard single-color LED strip installations, and the connector ships in a 5-piece bag for jobsite convenience. Compatibility is rated for 20AWG wire gauge.

The connector carries an IP20 rating, making it appropriate for dry, indoor environments where moisture exposure is not a factor. A transparent finish allows visual confirmation of wire seating.
