

Strip-to-Strip Double Connector, 2-Pin
5mm PCB for COB IP20 LED Strip (5-Pack)

- 2-pin connector sized for 5mm PCB COB strip
- Solderless strip-to-strip joint for tool-free splicing
- IP20 rated, Non-Waterproof environmental classification
- Transparent finish for low-visibility installation
- Sold in bags of 5 connectors
- Backed by 1-year warranty

OVERVIEW

The M-Z-CON2D-CA5 is a strip-to-strip double connector for 2-pin, 5mm PCB COB LED strip lights. It provides a solderless, tool-free method of joining two COB strip segments end-to-end, suited to continuous-run installations where cutting and reconnecting strips is required. Sold in bags of five connectors.

The connector is rated IP20 and classified Non-Waterproof, intended for dry indoor environments without exposure to moisture or dust ingress. It is molded in a transparent finish and sized for 5mm-wide PCB strips.

SPECIFICATIONS

OPTICAL

LED Chip Type	COB
LED Lifetime	50,000 h

MECHANICAL

Product Dimensions	5mm
Finish	Transparent

ENVIRONMENTAL

IP Rating	IP20
Environmental Rating	Non-Waterproof

ORDERING

Warranty	1 y
----------	-----

APPLICATIONS

Indoor COB strip light runs	Continuous linear lighting installations	Retail display and cabinet lighting	Under-cabinet and shelf lighting joins
