

- ### Two-Connector Cable Joiner for IP20 8mm COB LED Strip, 6 in. Lead (5-Pack)
- Two-connector design for 8mm IP20 COB LED strip
 - 6-inch lead cable bridges gaps between strip segments
 - Sold in bags of 5 pieces for multi-run installations
 - Solderless cable joint simplifies retrofit wiring tasks
 - Compatible strip rated for 50,000-hour LED lifetime
 - Backed by a 1-year warranty

OVERVIEW

The M-Z-CON2D-CA8-C is a two-connector cable joiner designed for IP20 8mm COB LED strip installations. It provides a solderless, cable-bridged connection point for linking strip segments across a gap, suitable for retrofit and new construction wiring tasks.

Each connector pair is joined by a 6-inch lead cable, allowing strip runs to be extended or routed around obstacles without soldering. Sold in bags of five for multi-run installations.

Backed by a 1-year warranty, with strips rated for a 50,000-hour LED lifetime.

SPECIFICATIONS

OPTICAL

LED Chip Type	COB
LED Lifetime	50,000 h

ELECTRICAL

Input Connection Type	Cable joiner connector
Wire Length	6 in

MECHANICAL

Strip Width	8 mm 0.31 in
-------------	-----------------

ENVIRONMENTAL

IP Rating	IP20
-----------	------

ORDERING

Warranty	1 y
----------	-----

APPLICATIONS

Cabinet and shelf lighting runs

Retrofit strip extension in existing installations

Cove and accent lighting continuation

New construction linear lighting layouts

Display case lighting connections
