

COB Strip Connector Cable, 8mm PC Board Terminals, 9 In. Wire, 5-Pack

- Two 9-inch wire leads per connector cable
- Two 8mm PC board connector terminals included
- Supplied in a 5-pack for multi-run installations
- Rated for 50,000-hour LED lifetime within strip system
- Backed by a 1-year warranty

OVERVIEW

The M-Z-CON2D-CA8 is a connector cable assembly featuring two 9-inch wire leads and two 8mm PC board connectors. It is designed for integration into COB LED strip circuits, providing reliable attachment between strip segments or to compatible driver and control components.

Constructed for consistent conductivity, the assembly supports secure, repeatable electrical connections in commercial and professional installations. Rated for a 50,000-hour LED lifetime when used within the intended strip system.

Backed by a 1-year warranty.
