

5 - Conductor White Connector for 12mm RGBW PC Board LED Strip, 5-Pack

- 5-conductor design for RGBW strip configurations
- Sized for 12mm wide PC board LED strip
- White finish for discreet installation
- Rated for 50,000 hour LED lifetime
- Backed by 1-year warranty
- Packaged 5 pieces per bag

OVERVIEW

The M-Z-CON5-12 is a 5-conductor white connector designed for use with 12mm RGBW LED strip PC boards. It provides a solderless termination point for RGBW strip installations, accommodating the four color channels plus a common conductor required by RGBW configurations.

Each connector is rated for a 50,000 hour LED lifetime and is backed by a 1-year warranty. Sold in packs of 5 pieces for stocking multiple strip runs or connections.
