

5-Connector 2-Wire 6" RGBW 12mm PC Board Jumper Connectors, 5-Pack

- Sold as a 5 -connector pack for RGBW strip wiring
- 2 -wire configuration for 12mm PC board strips
- 6 -inch wire length between connector ends
- Backed by a 1 -year manufacturer warranty
- Compatible with LED strips rated for 50,000 -hour lifetime

OVERVIEW

The M -Z -CON5D -CA12 is a 5 -pack of 2 -wire, 6 -inch jumper connectors designed for 12mm RGBW PC board LED strip connections. These connectors are intended for use in applications requiring reliable, low -profile electrical connections between RGBW LED strip segments or between a strip and a control board.

Each connector accommodates a 2 -wire configuration and is sized for 12mm PC board compatibility, allowing quick -connect wiring without soldering.

The connectors carry a 1 -year warranty and are rated for use with LED strips rated to a 50,000 -hour LED lifetime.
