

Hard Polycarbonate LED Strip Clip, 12mm Wide x 3mm High, Sold Per Clip

- Hard polycarbonate construction for rigid strip retention
 - Sized 12mm wide x 3mm high to fit standard 12mm LED strips
- Low-profile 3mm height minimizes visible protrusion
 - Sold per individual clip for flexible order quantities
 - Backed by a 1 year warranty

OVERVIEW

The M-Z-Clip-PC12mm is a hard polycarbonate mounting clip designed for securing 12mm wide LED strip channels or strips in place. Sold individually, it is suited for commercial and residential LED strip installations where a low-profile, rigid retention point is required. The 3mm height keeps the clip compact, minimizing protrusion in finished installations.
