

RGB 1 -Female to 2 -Female Extension Cable, 12 In., LED Strip Splitter

- One female input splits to two female outputs
- 12 inch cable length for branching RGB runs
- Rated for 50,000 hour LED lifetime
- Backed by a 1 year warranty

OVERVIEW

The M-Z-EX-FF12-2 is an RGB extension cable configured with one female connector splitting to two female connectors, measuring 12 inches in length. It is designed to extend or branch RGB LED strip lighting runs, allowing a single RGB output to feed two separate cable paths or fixtures within a lighting installation.
