

Phillips #2 Double-Ended Screw Drive Bit, 65mm Length

- Phillips #2 tip profile for standard screw drive compatibility
- Double-ended design provides two usable tips per bit
- 65mm overall length for extended reach applications
- Sold as single piece unit
- 1 year warranty coverage

OVERVIEW

The MC-BIT-65 is a Phillips #2 double-ended screw drive bit with a 65mm working length, designed for use with standard power drivers and impact drivers in commercial construction, electrical, and general contracting applications. The double-ended design provides two usable tips per bit, extending service life between replacements.
