

Phillips #2 Double-Ended Screwdriver Bits, 65mm, 10-Pack

- Phillips #2 tip profile for standard screw drive engagement
- Double-ended design provides two working tips per bit
- 65mm bit length suited for power drivers and impact tools
- Supplied in a 10-piece pack for job site restocking
- 1-year warranty

OVERVIEW

The MC-BIT-65P is a Phillips #2 double-ended screwdriver bit measuring 65mm in length, supplied in a 10-piece pack. It is intended for use with power drivers and impact tools in sign fabrication and installation work.

The double-ended configuration provides two working tips per bit, allowing continued use once one end wears down and reducing the frequency of bit changes during installation runs.

The product carries a 1-year warranty.
