

Replacement Button Mold, 1.75 in (44mm), for SDHP-1 Button Machine, 1 - Year Warranty

- Sized for 1.75 in (44 mm) diameter button production
- Compatible with the SDHP-1 button machine
- Rated for a 50,000-hour service life
- Backed by a 1-year warranty

OVERVIEW

The MC-Button-M44 is a replacement mold designed for use with the SDHP-1 button machine, sized for 1.75 in (44 mm) diameter button production. It is intended for operators who need a spare or additional mold to maintain continuous production runs or to replace worn tooling.

The mold is rated for a service life of 50,000 hours, supporting sustained use in high-volume button production environments. The MC-Button-M44 is backed by a 1-year warranty.
