

Double - Sided Tape for General Use,
5mm x 100 ft

- 5mm width by 100 ft length roll
- Double-sided adhesive bonds to varied surfaces
- Flexible backing allows easy cutting and repositioning
- Backed by a 1-year warranty

OVERVIEW

The MC-DT-.25 is a double-sided tape designed for general-purpose use across a range of applications including crafting, office tasks, and light construction or home improvement projects. It measures 5mm in width and 100 feet in length, providing a practical roll size suited for repeated use across multiple tasks.

The tape features a strong adhesive formulation intended to bond to a variety of surfaces. Its flexible construction allows for straightforward cutting and repositioning during application, making it suitable for both precision work and general fastening needs. The product carries a 1-year warranty.
