

Double-Sided Banner Mounting Tape,
0.75 in. x 164 ft. (19 mm x 50 m)

- 0.75 in. (19 mm) wide x 164 ft. (50 m) long roll
- Double-sided adhesive construction for clean, low-profile mounting
- Adheres to a variety of substrate materials
- Weather-resistant formulation for indoor and outdoor use
- Backed by a 1-year warranty

OVERVIEW

The MC-DT-S.75 is a double-sided tape designed for banner mounting applications, suitable for both indoor and outdoor use. Each roll measures 0.75 in. (19 mm) wide by 164 ft. (50 m) long, providing ample coverage for large-format installations.

The tape adheres to a variety of materials and is formulated to withstand varying weather conditions, making it a practical choice for permanent and temporary banner displays alike. The double-sided construction allows for clean, low-profile mounting with straightforward application.

The product is backed by a 1-year warranty.
