

Double - Sided Foam Tape, 1/2 in. x 50 ft. Roll, Residue - Free Removal

- Foam tape roll measures 12mm x 15m (1/2 in. x 50 ft.)
- Conforms to irregular and textured mounting surfaces
- Removes cleanly without residue or surface damage
- Backed by a 1-year manufacturer warranty
- Rated for a service life of 50,000 hours

OVERVIEW

The MC-DTF-SH333-12 is a double-sided foam tape supplied in a 1/2 in. x 50 ft. roll, intended for mounting lightweight objects across a range of surface types, including irregular and textured substrates. It is suited for general-purpose mounting applications in commercial and light industrial environments.

The tape is formulated for durability and holding strength while remaining removable without leaving residue or causing surface damage. Its foam construction allows it to conform to uneven surfaces, and the compact roll format supports easy handling, application, and storage on the job site. It carries a 1-year warranty.

SPECIFICATIONS

OPTICAL

LED Lifetime 50,000 h
