OVERVIEW

The MC-GR2-1000 is a #2 steel grommet finished in chrome silver, designed for indoor DIY and industrial applications. Each bag contains 1000 pieces, providing an ample supply for high-volume or ongoing work. The 21mm hole diameter offers compatibility across a range of materials and installation contexts.

Constructed from steel with a chrome silver finish, these grommets are built for durability and consistent appearance across repeated use.

The product carries a 1-year warranty.
