OVERVIEW

The MC-GR2G-1000 is a #2 steel grommet finished in chrome gold, packaged in 1,000-piece bags for bulk installation work. It is suited for upholstery, drapery, signage, and general fabrication projects requiring a durable metal eyelet.

The grommet has a 10mm inner hole diameter and a 21mm outer diameter, allowing it to accommodate a range of material thicknesses and mounting hardware. The chrome gold finish provides a polished, decorative surface for installations where hardware appearance matters.

The product carries a 1-year warranty.
