

Outdoor Grommet #2 Chrome-Plated Copper, 10mm Hole / 21mm OD, 500 pcs/bag

- Chrome-plated copper construction resists corrosion outdoors
- 10mm hole diameter for cable, rope or wire routing
- 21mm outer diameter grommet body
- Packaged 500 pieces per bag for bulk installation
- Backed by a 1-year warranty

OVERVIEW

The MC - GRC2 - 500 is a #2 chrome-plated copper grommet designed for outdoor use, suitable for securing cables, ropes, or wires in exposed or weather-prone environments. The chrome plating over copper construction provides corrosion resistance against moisture and outdoor elements.

Each grommet features a 10mm hole diameter and 21mm outer diameter. Packaged in bags of 500 pieces, this product supports efficient, cost-effective installation on larger projects.

This grommet carries a 1-year warranty.
