

Steel Ring Hook for LED Fixture Mounting, 1 - Year Warranty

- Constructed from steel for durable overhead mounting
- Ring hook design provides a secure suspension point for fixtures
- Rated to support LED fixtures with a 50,000 -hour lifetime
- Backed by a 1 -year warranty
- Suited for commercial and industrial lighting installations

OVERVIEW

The MC-HK-CF3 is a steel ring hook designed for suspending and mounting LED fixtures. It is intended for use in commercial and industrial installations where a secure, reliable hanging point is required for overhead lighting applications.

The hook is built to support LED fixtures rated for a 50,000-hour operating lifetime, making it suitable for long-term installations where fixture access is limited. Its ring design provides a stable suspension point for hanging lighting equipment from ceilings, trusses, or support structures.

The MC-HK-CF3 is covered by a 1-year warranty.
