

## Steel Ring Hook for LED Fixture Mounting, 1 - Year Warranty

- Steel construction for suspended fixture loads
- Ring - style hook design for pendant or chain mounting
- Backed by a 1 - year warranty
- Suited for commercial and industrial LED fixture installs

### OVERVIEW

The MC-HK-CF5 is a steel ring hook designed for suspending and mounting LED fixtures in commercial and industrial installations. It provides a secure hanging point for overhead luminaires where pendant or chain-mount configurations are required.

The hook is constructed of steel for durability under continuous suspended loads and is backed by a 1 - year warranty.
