

Microfiber Cleaning Towels, 25 cm x 25 cm, 100-Piece Bag

- Supplied in bags of 100 towels per unit
- Each towel measures 25 cm x 25 cm
- Microfiber material designed for lint and residue control
- Backed by a 1-year warranty

OVERVIEW

The MC-M3 is a microfiber cleaning towel supplied in bags of 100 pieces, with each towel measuring 25 cm x 25 cm. Intended for use in commercial and industrial settings, these towels are suited for cleaning fixtures, lenses, panels, and other surfaces where lint and residue control are required.

Each bag ships with a full count of 100 towels, providing a consistent supply for maintenance crews and production lines. The product is backed by a 1-year warranty.
