

Measuring Tape, 5M — Yellow, Retractable, Heavy-Duty

- 5-meter measuring range for general contractor applications
- High-visibility yellow housing and blade for jobsite use
- Retractable design for compact storage and transport
- Constructed from durable materials for heavy-duty use
- Backed by a 1-year manufacturer warranty

OVERVIEW

The MC-MT-5M is a 5-meter retractable measuring tape designed for use by professional contractors and tradespeople requiring reliable linear measurement across a range of jobsite applications.

Constructed from durable materials suited to heavy-duty use, the tape features a high-visibility yellow housing and blade. The retractable mechanism allows for compact storage and straightforward transport between work areas.

Backed by a 1-year warranty for added assurance in daily trade use.
