

Chisel with 10-Piece Extra Blade Set, 1-Year Warranty

- Includes 10 extra replacement blades for continued use
- Chisel designed for cutting, scoring, and material removal
- Backed by a 1-year warranty
- Rated LED lifetime of 50,000 hours

OVERVIEW

The MC-NF-001 is a chisel supplied with a 10-piece set of extra replacement blades, intended for cutting, scoring, and material removal tasks in construction and trade applications. The included blade set allows for continued use without immediate replacement sourcing, supporting repeated cutting and scoring work on job sites. The product is backed by a 1-year warranty.
