

Replacement Cutter Blades, 18mm Wide, 10-Piece Set, 1-Year Warranty

- Includes 10 replacement blades per set
- Blade width measures 18mm for compatible cutting tools
- Backed by a 1-year manufacturer warranty
- Rated component lifetime of 50,000 hours

OVERVIEW

The MC-NF-L-10 is a set of 10 replacement cutter blades sized 18mm wide, designed for use with compatible LED strip and flex channel cutting tools. Keeping spare blades on hand reduces downtime during installation and ensures clean, precise cuts on LED strip material.

Each blade set is backed by a 1-year warranty, providing assurance for repeated use in field and shop cutting applications.
