

Replacement Cutter Blades, 9mm Wide, 10-Piece Spare Set

- Includes 10 replacement cutter blades per set
- Blade width measures 9mm for compatible cutter tools
- Rated for a 50,000-hour service life
- Backed by a 1-year warranty

OVERVIEW

The MC-NF-S-10 is a set of 10 replacement cutter blades sized at 9mm wide, intended for use with compatible LED strip cutter tools. Keeping spare blades on hand reduces downtime during installation and ensures clean, accurate cuts on LED strip material.

The set carries a 1-year warranty and is rated for a 50,000-hour service life, supporting extended use across repeated cutting cycles in signage and lighting installation work.
