

Light Green Soft Squeegee, 4 in. x 2.5 in., 1 - Year Warranty

- Soft durometer blade minimizes surface scratching during application
- Compact 4 in. x 2.5 in. size for detail and edge work
- Light green color for easy identification among squeegee sets
- Backed by a 1-year warranty

OVERVIEW

The MC-SQ-02A is a light green soft squeegee measuring 4 in. x 2.5 in., designed for use in vinyl and film installation applications. The soft durometer blade allows for smooth, even pressure across surfaces, making it suitable for applying window films, vehicle wraps, and architectural graphics without scratching or marring sensitive materials.

The compact 4 in. x 2.5 in. profile supports precise handling in tight corners and detail areas during application work. This tool carries a 1-year warranty.
