

Dark Green Hard Squeegee, 5 in x 3 in,
for Vinyl and Film Application

- Compact 5 in x 3 in hard blade profile
- Dark green hard squeegee construction for firm pressure application
- Suited for vinyl graphics, window film, and surface wrap installation
- Backed by a 1-year warranty

OVERVIEW

The MC-SQ-03 is a dark green hard squeegee measuring 5 in x 3 in, designed for applying vinyl graphics, window films, and surface wraps. The firm blade construction allows installers to work out air bubbles and adhesive inconsistencies with controlled, even pressure across flat and moderately curved surfaces.

The rigid profile suits sign shops and installers who need consistent pressure distribution when setting vinyl or film to a substrate. This item is backed by a 1-year warranty.
