

Small Hard Spatula, Yellow, 2.25 in. Wide x 5.25 in. Long

- Compact size: 2.25 in. wide x 5.25 in. long
- Hard construction for precise scraping and spreading
- Yellow color for easy visual identification in a toolset
- Backed by a 1-year warranty

OVERVIEW

The MC-SQ-10 is a small yellow spatula measuring 2.25 in. wide by 5.25 in. long, constructed from a hard material suited for precise spreading, scraping, or mixing tasks in professional applications. The compact profile allows use in tight spaces where standard-size tools are impractical. This item carries a 1-year warranty.
