

Felt Squeegee Application Tool, 100 x 70 x 10 mm with Poli Logo

- Felt material construction for scratch-free surface contact
- Compact 100 × 70 × 10 mm profile for precise handling
- Branded with Poli logo for professional identification
- Backed by 1-year warranty

OVERVIEW

The MC-SQ-Felt is a felt-material squeegee application tool measuring 100 × 70 × 10 mm, designed for use in vinyl and film installation applications. The felt surface allows smooth, controlled pressure across substrates without scratching or marring sensitive surfaces during application.

Branded with the Poli logo, this tool is suited for professional installers working with signage films, wraps, and overlaminates. It is backed by a 1-year warranty.
