

# Hook Velcro Strip, 1 in. Wide, 82 ft. Roll, Black, Adhesive-Backed

- Hook-side Velcro strip, 1 in. (2.5 cm) wide
- Supplied in a continuous 82 ft. (25 m) roll
- Adhesive-backed for direct surface application
- Black finish for blending with dark fixtures and enclosures
- 1-year warranty

OVERVIEW

The MC-VEL-H1AD is a hook-side adhesive-backed Velcro strip designed for securing LED fixtures, cable management components, and other lightweight assemblies in commercial and industrial installations. The strip measures 1 in. (2.5 cm) wide and is supplied in a continuous 82 ft. (25 m) roll, allowing installers to cut lengths to suit the application. The black finish blends with dark surfaces and enclosures.
