

Soft Velcro Strip for RA300TX, No Adhesive, 27.5 yd Roll

- Soft-side hook -and- loop material for RA300TX compatibility
- 27.5 yd roll length for extended run applications
- Supplied without adhesive backing for assembly-integrated mounting
- 1 year warranty coverage

OVERVIEW

The MC-VEL-L2 is a soft-side Velcro strip designed for use with the RA300TX, supplied without adhesive backing in a 27.5 yd roll. It is intended for applications where the hook -and- loop fastening system is integrated into a mounting or installation assembly rather than applied with a pressure-sensitive adhesive.
