- Unit weight of 26.4 lb
- Backed by a 1-year warranty

OVERVIEW

The MD-SHIELD3032 is a three-panel acrylic sneeze guard designed for counter and workstation barrier applications in commercial environments such as reception desks, checkout counters, and service windows. Each unit features a 30" W x 32" H front panel flanked by two 15" W x 32" H side panels, constructed from 4mm acrylic sheet with plastic hinges connecting the panels. Sold as a twin pack.

The hinged three-panel configuration allows the guard to stand independently and be adjusted to fit varying counter widths. The 4mm acrylic construction provides a transparent barrier suitable for face-to-face service settings. Overall unit dimensions measure 33.86 × 3.15 × 31.1 in and weigh 26.4 lb.

The product carries a 1-year warranty.
