

Two-Gang Decorator Wall Plate, Night Black Finish

- Two-gang decorator configuration for dual device installations
- Night black finish for a uniform, low-profile appearance
- Compatible with standard decorator-style switches and receptacles
- Suited for commercial and residential wall plate applications

OVERVIEW

The PL-BK-2 is a two-gang decorator wall plate finished in night black, designed for standard decorator-style electrical installations in commercial and residential applications. It is suited for use with duplex receptacles, switches, and other decorator-format devices requiring a two-gang configuration.
