

Three-Gang Night Black Decorator Wall Plate

- Three-gang configuration for multi-device wall openings
- Night black finish for a uniform dark appearance
- Compatible with decorator-style switches and receptacles
- Suitable for commercial and residential installations

OVERVIEW

The PL-BK-3 is a three-gang decorator wall plate finished in night black, designed for standard multi-device electrical installations in commercial and residential applications. It is suited for use with decorator-style switches, receptacles, and low-voltage inserts where a consistent dark finish is required.
