

Vintage Brass 2 - Gang Wall Plate

- Vintage brass finish for a traditional decorative appearance
- 2 - gang configuration fits standard dual - device electrical boxes
- Suitable for covering switches or receptacles in commercial or residential settings

OVERVIEW

The PL-VB-2 is a 2 - gang wall plate finished in vintage brass, designed for use in commercial and residential electrical installations where a traditional aesthetic is required. It is suited for standard 2 - gang electrical box configurations and provides a decorative cover for switches, receptacles, or other devices in that configuration.
