OVERVIEW

This pendant light kit combines a white dome fixture with a 9 inch light source and dual internal driver, suited for commercial ceiling installations such as lobbies, corridors and retail spaces requiring a compact decorative luminaire with integrated driver electronics.

The fixture delivers 1890 lumens at 18W input power, operating across a universal 100-277V AC input range. Dimming is supported via Triac control at 120Vac or 0-10V control at 277Vac, and the unit is available in a color temperature range of 2700K to 5000K, allowing color tuning to match project requirements.
