

Chime Chandelier 26W 3000K Boomerang Wood & Metal Pendant Light

OVERVIEW

The Chime Chandelier (RS-CH-CHIME) is a metal and solid oak wood pendant fixture designed for larger interior spaces including dining rooms, living areas, and foyers. Its boomerang-shaped arms and wood accents create a contrast between industrial and natural materials, functioning as a architectural focal point while providing ambient illumination.

The fixture operates at 26W with a 3000K color temperature and is rated at 100 lm/W. It accepts 120V–240V AC input and carries an IP20 environmental rating, suitable for dry indoor locations. Rated service life is 50,000 hours. Overall dimensions are 36.2 x 33.4 in (92 x 85 cm). Available in black finish with glass elements.

No certifications are confirmed in the available source data. Consult your Poli LED & Signs representative for compliance documentation applicable to your jurisdiction.
