

## Munira Brass Chandelier, 54W Integrated LED, Gold & Black, 55 in.

### OVERVIEW

The Munira Chandelier (RS-CH-MUNIRA) is a horizontal-format pendant fixture constructed with an iron body and machined brass grills encasing slotted opal diffusers with integrated LEDs. It emits diffused light both above and below the plane of the fixture, making it suitable for dining areas, lobbies, and open commercial or residential interiors where a defined focal point is required.

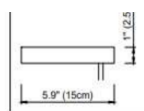

The fixture operates at 54W with an efficacy of 100 lm/W and is rated for 50,000 hours of service life. It accepts 120V–240V AC input, providing compatibility across standard North American and international supply voltages. The IP20 rating designates this fixture for dry indoor environments only. Overall diameter is 55 in. (140 cm). Finish is Gold and Black with brass construction.

No certifications have been confirmed in the available source data. Consult your Poli LED & Signs representative for compliance documentation and warranty terms applicable to this product.

### SPECIFICATIONS

<b>Power</b>	54 W	<b>Input voltage</b>	120-240 V AC
<b>Luminous flux</b>	5400 lm	<b>Rated life</b>	50000 h
<b>IP rating</b>	IP20	<b>Dimensions</b>	55 in

### DIMENSIONS

Cord Length : Up to 1,8 meters  
Backplate Dimensions : 5,9 inch x 1 inch

**Body Color:** Gold & Black

**Materials:** Brass
