

Rectangular Chandelier, Alabaster Marble & Copper, 50W, Nickel Finish

- Constructed from alabaster marble and copper with a nickel finish
- Rated 50 W at 100 lm/W efficacy
- Operates on 120-240 V input
- IP20 rated for non-waterproof, dry indoor use
- Rectangular dimensions of 54 × 20 × 4 in (137 × 51 × 10 cm)

OVERVIEW

This chandelier is a decorative statement fixture for residential interiors, suited to dining rooms, foyers and living spaces requiring a focal lighting element. Its construction pairs polished alabaster marble halos with copper accents and slender steel cables in a nickel finish, forming a continuous rectangular profile measuring 54 × 20 × 4 in.

The fixture draws 50 W and operates across a 120-240 V range, delivering an efficacy of 100 lm/W. It carries an IP20 rating and is classified non-waterproof, indicating suitability for dry indoor environments only.
