

LED Round Chandelier, Alabaster Marble & Copper, 25W, Nickel Finish

- Constructed from alabaster marble and copper for a stone-and-metal composition
- Rated 25 W with an efficacy of 100 lm/W
- Operates across 120-240 V input voltage
- Finished in nickel for a coordinated decorative appearance
- IP20 rated for non-waterproof, dry indoor environments
- Measures 30 × 3 in (76 × 7.6 cm) overall

OVERVIEW

This round chandelier is designed as a decorative statement piece for residential interiors. Polished alabaster marble halos are connected by slender copper cables, producing a continuous illuminated form with an integrated LED source. The nickel finish and organic stone texture give each fixture a distinct appearance suited to entryways, dining areas and living spaces.
