

Outdoor Wall Lamp, 7W IP65 Aluminum, Modern Industrial Style

OVERVIEW

The Hortus Outdoor Wall Lamp (RS-OWL-HORTUS) is a 7W aluminum wall-mount fixture designed for exterior applications including villa courtyards, building facades, and architectural accent lighting. Its industrial-inspired profile and clean silhouette suit contemporary commercial and residential outdoor environments.

The fixture operates on 120V–240V AC and delivers 100 lm/W efficacy at 7W, with a rated service life of 50,000 hours. The aluminum housing carries an IP65 ingress protection rating, confirming full dust-tight construction and resistance to water jets — suitable for year-round outdoor exposure. Available in Black or White finish. Dimensions: 4.6 x 5.6 in.

This fixture is IP65 rated. No additional certifications are confirmed in available source documentation. Warranty terms are not specified in current product data; contact Poli LED & Signs for details.
